

Ballyraine

Property Reference: DM2126

Description

Ballyraine is a beautiful and spacious 3 bedroom detached villa with mature gardens and spacious terracing. The garden has many fruit trees including grapefruit, lemon, orange and bananas and guests are invited to help themselves. Equipped and decorated to a high standard the house has air conditioning and central heating throughout.

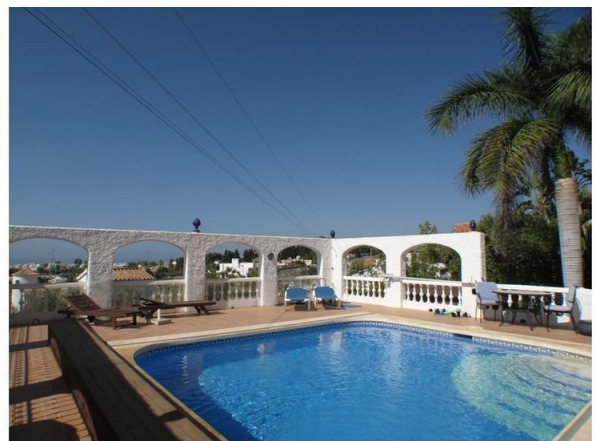

Ballyraine is situated on the quiet urbanisation of Fuente del Baden 2 on the outskirts of Nerja. Nerja town centre/Balcon de Europa is a 5 minute drive or approximately 30 minute walk from the villa. Nerja town, by day or by night, is a great place to wander through the maze of streets abundant with shops, restaurants and bars. Great beaches and the Balcon de Europa are all part of what makes Nerja such a special place to visit.

The house is currently undergoing some internal refurbishment and new photos will be available in January.

The living accommodation is all on one level with the exception of the garage which is down a flight of stairs.
